- To heighten awareness about domestic and intimate partner abuse within underserved populations, such as the LGBTQI and the Latino immigrant communities.
- To act as a liaison between LGBTQI survivors of domestic violence, sexual abuse and/or intimate partner violence and the resources provided by community centers within Miami Dade County.

PROGRAMS THAT ARE AVAILABLE:

VICTIM ADVOCACY (DOMESTIC VIOLENCE, SEXUAL ASSAULT, AND OTHER TYPE OF VICTIMIZATION)

Survivors Pathway is committed to providing the necessary assistance, guidance, and psychological support to survivors of violent crimes to successfully achieve justice. Navigating and accessing the justice system can be difficult to understand, especially when the victims/survivors are experiencing the emotional impact of trauma, feeling unsafe or isolated. Access to supportive agencies, immigration services, and other needed legal resources are complicated.

Survivors' Pathway's Advocates focus their efforts on facilitating these processes while trying to ensure the victim's successful access to justice and other social services. Survivors' Pathway's advocates provide a vital support system to victims, encouraging and empowering them to pursue all avenues of treatment and all legal means to stop the abuse and to ensure long-term recovery.

Survivors' Pathway's Advocates will ensure that women, men, and their families who are experiencing domestic violence, sexual assault, human trafficking, hate crimes and/or other types of victimization will have access to the following services:

PSYCHOLOGICAL COUNSELING

We provide individual and family mental health services to children and adolescents who have endured physical, emotional, and/or sexual trauma. Survivors' Pathway Center aims to promote socio-emotional wellness and healing to its clients through building resiliency and encouraging emotional growth.

This counseling process is aimed at decreasing the emotional and psychological symptoms associated with experiencing traumatic events.

How can we support you?

- Survivors' Pathway provides trauma informed mental health counseling services to victims/survivors of domestic violence, sexual assault, human trafficking and other types of victimization.
- Individual, family and group psychotherapy.
- Trauma informed mental health services are provided for a one year period and free of cost.
- Counseling services are delivered at our main facility, through Telehealth or at the client's home.
- Support groups for survivors of domestic violence are provided weekly.
- Psychological evaluations and assessments.

Our psychological treatment provides individuals with the opportunity to identify, analyze, and restructure cognitive and cultural beliefs that may be preventing them from achieving a better quality of psychological and emotional experiences. Our approach is also composed of an important psycho-educational process that provides survivors with specific tools which can be utilized to expand the understanding of their traumatic experiences and gain the skills needed to overcome the daily challenges associated with their distressful emotional experiences.

ALL SERVICES ARE FREE TO SURVIVOR PATHWAY CLIENTS.

Home Visit Therapy

We understand that as a result of the violence and trauma experienced, some individuals and their families are unable to come to our facilities. Additionally, factors such as lack of resources, intense emotional distress, and physical impairments make it difficult for some clients to attend sessions at our offices. Therefore, therapists at Survivors' Pathway Center conduct assessments and treatments at clients' homes.

Home visits are currently available in the following areas in Miami-Dade County:

Norte: Miami Lakes, Miami Gardens, Hialeah, North Miami, Liberty City, Opa-Locka y Doral

Sur: Kendall, West Kendall, Homestead y Sweetwater

Domestic Violence Support Group

Survivors' Pathway provides emotional support and psycho-education to victims of domestic violence. Through bi-weekly meetings, members are able to safely receive much needed emotional support and psycho-education on domestic violence and intimate partner violence.
